

Community Recycling Center

Corner of McFarland & Hays

Entrance: McFarland Street - Exit onto: Hays Street

Open: Wed.-Fri. 9 a.m.-6 p.m. & Sat. 9 a.m.-1 p.m.

Tues. -- Times and accepted items (see reverse side)

Providing service to both City of Kerrville and Kerr County residents.

Please sort the following accepted items according to category. **Example -- place items by each category separately into a used grocery bag, new plastic bag, a box or other container.** This effort by you (our customer) allows us to provide an efficient and better quality of service.

Categories:

Cardboard: cereal, kleenex, pizza, soap bar boxes, paper roll and tissue inserts, soft drink packaging, moving boxes, product shipment boxes. *No waxed or plastic coated cardboard items*

Newsprint: newspaper and the inserts that come with it

White paper: office paper, school notebook, and office printer paper

Mixed paper: direct mail, envelopes, or post it notes - *No tissues or paper towels*

Computer paper: manufacturer green and blue style

Shredded paper: white paper cut up, must be placed in a plastic or brown bag

Magazines: magazines, catalogues & telephone books

Phones: cell phones with rechargeable battery and house phones

Styrofoam Shipping "Peanuts"

No food products or liquids for the following: (Also, remove lids from bottled items)

Plastic grocery bags: *number 2*

Plastics: *number 1 & 2*

No food products or liquids. Also, rinsed & drained as much as possible for the following:

Steel/tin cans: metal can and metal lids (labels do not have to be removed)

Aluminum products: cans, foil, and pie plates

Styrofoam: This item must be the one that is easily breakable, such as cups, plates, egg cartons, and packing material. The Styrofoam that comes in contact with food products must be as clean as possible. The packing material does not include those types that are spray in foam form, that usually come plastic wrapped.

Glass: *The following “Glass type” items should be sorted by these categories and metal lids removed, those lids maybe placed in the steel/ tin can category. Also, no glass from any kind of windows.*

- Clear
- Green
- Brown
- Blue
- Green
- **Other: Ovenware/Stovetop;** Corning, Corel, Pyrex, i.e., Casserole dish and pie plates, **Kitchen ware/Household ware** i.e.; drinking glasses, vases & clear ware, **Stoneware** i.e.; dishes/plates that are not clear and coffee mugs.

Rechargeable Batteries: These Batteries must be labeled “rechargeable” or have a recycle symbol, (usually labeled RBRC) in order to be accepted. These batteries are commonly found in cordless power tools, cellular and cordless phones, laptop computers, camcorders, remote control toys, and portable household appliances, also including small sealed lead (Pb) batteries. This does not include car or motorcycles batteries.

Ink cartridges, Laser and Copier Toner cartridges

Ink cartridges need to be in their original box or a similar one, but if neither is available, then a Ziploc bag is acceptable.

The Laser and Copier Toner cartridges must be placed in a plastic bag that is securely closed and their original box.

Tuesdays (only): We are offering these hours for our customers to meet the needs of the large quantities and bulky items. Following items only.

Hours: 8 a.m. - 12 noon and 2 p.m. - 5 p.m.

Cardboard: Large quantities and bigger size cardboard.

Example: moving, appliance, furniture, and auto-body shop boxes. **All other cardboard and limited quantities of bigger size can be taken during regular business hours.**

Scrap metal: see attached list

Electronics: Computer systems, TV’s, and microwaves (small quantities only, unless prior arrangements)

Should you have any questions or need to make arrangements, please call the Community Recycle Center (CRC) at (830) 257-1267.

WE THANK YOU FOR ALL YOUR EFFORTS AND DEDICATION TO OUR COMMUNITY, ENVIRONMENT, AND OUR FUTURE.
